Sure, we're famous for ButterBurgers® and fresh Frozen Custard—they're the Culver family favorites that started it all in 1984. Look a little closer and you'll see our menu is just as accommodating as our signature hospitality, with satisfying salads, Wisconsin supper-club style dinners and a variety of sandwiches and side dishes to fit your appetite and lifestyle. Enjoy!

Culver's® nutritional information is based on representative values from manufacturers, USDA, and other established databases and lab testing. Nutritional analysis was performed by Guardian Food Group. Recipes are from Culver Franchising System, Inc. Some menu items may not be available at all restaurants. In addition, test products, test formulations or regional items have not been included in this brochure. While ingredient information in this brochure is based on standard product formulations, variation may occur due to differences in suppliers, ingredient substitutions, changes in recipe, product assembly at the restaurant level, the region of the country and the season of the year. Serving sizes may vary from the quantity upon which the analysis was conducted. Serving size designation for beverages refer to total cup capacity. The actual fill may be slightly less. The nutritional information in this brochure presumes that the operator of the restaurant, most of which are franchised, is complying with preparation, ingredient, supply and proportioning requirements. None of Culver's menu items are certified as vegetarian; all menu items may contain trace amounts of ingredients derived from animals. If you would like further information on our menu items, or have food allergies, sensitivities or special dietary needs, please go to www.culvers.com. Click on "Menu" at the top, then on "MyMeal Nutrition Manager" or "Allergen Grid" on the left side for the most up-to-date information. The listings at www.culvers.com are periodically updated in an effort to reflect the current status of our menu items and may vary from printed materials.
